

FUENTEK LLC JOB POSTING

Job Posting – Print Graphic Designer

The successful Print Graphic Designer will have the following qualifications:

- 5-10 years of experience designing print-based graphic brochures, reports, exhibits, and other print-based marketing items using a combination of the required tools listed below. Must have excellent skills with:
 - Adobe InDesign (CS3 or CS4)
 - Adobe Photoshop (CS3 or CS4)
 - Adobe Illustrator (CS3 or CS4)
- 5 years of experience producing print specifications for jobs produced – including working with papers, various press capabilities, printers, and other graphic-based production vendors
- 3-5 years experience designing and implementing color, graphic element, and image-based MS PowerPoint backgrounds for presentations (emphasis is on background designs rather than using PowerPoint to convey a message)
- Own the full Garamond and Helvetica postscript font families – and be familiar with kerning and other font-related nuances
- Demonstrate the ability to follow logo, font, and other style guide rules from a variety of clients
- Demonstrate good skills with MS Office programs, email programs, and server-based file storage programs
- Have a portfolio of print pieces, photos/original mock-ups of exhibits, or other graphic-related pieces that is made available for review during the interview process

The following additional experience/skills are desirable, but not required:

- Ability to create and incorporate MS Excel graphs, pivot charts, and other cell-based materials
- Ability to design or generate web pages using Adobe DreamWeaver (CS3 or CS4)
- Ability to design and generate video content using Adobe Director, Fireworks, Flash, Final Cut Pro (or Express), and/or other graphic/video movie tools

All candidates must be set up to work from their own homes/offices and must have all tools and fonts available. Macintosh computer equipment is preferred but not mandatory. Candidates local to the Raleigh-Durham-Chapel Hill, NC area are also preferred. Candidates must be U.S. citizens.

If you've got what it takes, send a cover letter describing why you would be a good addition to the staff at Fuentek along with your résumé/CV to jobs@fuentek.com. We look forward to hearing from you.
