### **Job Posting – Web Designer**

Fuentek, LLC is looking for a Web designer/developer to join our industry-leading team of technology and business professionals.

The successful candidate will have the following qualifications:

- 3-5 years of experience designing new and updating existing web pages using a combination of web production tools including the following required tools:
- Dreamweaver – CS3 edition – must have experience with cascading style sheets for both text and layout
- Garamond & Helvetica postscript font families (must own and be familiar with kerning and other font-related nuances)
- Photoshop – CS3 edition
- Adobe GoLive
- American Disabilities Act (ADA) – Section 508 (all sites must be compliant with these Web accessibility rules)

The following additional experience/skills are desirable, but not required:

- Illustrator (CS3 edition)
- PowerPoint (MSOffice 2003/MSOffice 2007)
- Database XML and Java-Script
- Hand-coding in HTML

All candidates must be set up to work from their own homes/offices and must have all tools and fonts available. Macintosh computer equipment is preferred, but not mandatory. Candidates local to the Raleigh/Durham/Chapel Hill area are also preferred.

#### **Compensation:**

Compensation is commensurate with qualifications, skills, and experience. We are engaging a Web designer as a 1099 contract employee to work approximately 5 to 30 hours per week depending on your interest, availability, and client requirements.

If you've got what it takes, send a cover letter describing why you would be a good addition to the staff at Fuentek along with your résumé/CV to [jobs@fuentek.com](mailto:jobs@fuentek.com). We look forward to hearing from you.

Fuentek, LLC is an Equal Opportunity Employer.
